Nilfisk Buddy II is a lightweighted, powerful helper for outdoor vacuuming

Nilfisk Buddy II – the second generation of wet and dry vacuum cleaners - comes in two model versions, 12 litres and 18 litres. They are all lightweighted and have a compact design which make them handy to work with.

#### PRODUCT FACTS

- 1200 watt motor will pick up any debris you want to get rid of.
- The Blow function provides you with another option for cleaning.
- Two big wheels at the back and two rotation wheels in front make the machine very stable and easy to move around.
- The standard wet filter protects the turbine and ensures a long lifetime.
- The built in accessory holder provides storage for your accessories so that they are always at hand.
- Ergonomic grip ensures that the machines is in balance when you carry it around. The grip is shaped so that you can place the tube on top when having a break.
