

Clio

by Stora Enso

Clio is a fast and reliable paper for high volume and high speed black and white office printing and copying. Thanks to its great runnability, it is well suited for businesses that print and photocopy black and white documents in large quantities. The ColorLok label guarantees exceptional print results in colour as well as black and white

STORAGE AND HANDLING

Store the paper in a humidity and temperature controlled area at 50% relative humidity and room temperature between 19°C and 23°C. If the paper is stored in non-air conditioned warehouse, it is absolutely necessary to allow a stabilisation period in the print room. Open the protective wrapping at the moment of use.
