

Kiilto Easydes Spray

Disinfecting Cleaner

Easydes is a microbicide-effective and quick-acting ready-to-use surface disinfectant providing a good washing result.

Application

Easydes suits all alcohol-resistant materials: contact surfaces, equipment (including phone and computer keyboards) and instruments. It also can be used for daily disinfection of surfaces and equipment in the food industry and kitchens.

Product properties

An ethanol-based disinfecting compound, containing washing ingredients. The product gives a quick microbicidal response and effectively destroys bacteria, viruses and fungi. The microbicidal effectiveness of the product has been verified with EN- standard tests: EN 13727 (bacteria), EN 13697 (bacteria, fungi, yeasts), EN 13624 (yeasts), EN 14348 (tuberculosis and mycobacteria), EN 14476 (adeno- and noroviruses), EN 14561 (bacteria), EN 14562 (fungi, yeasts), EN 14563 (mycobacteria and tuberculosis). Disinfecting power and good cleaning result are easily reached even at visibly fouled surfaces. Easydes effectively removes dirt and grease.

Instructions for use

Spray disinfectant on the dirty surface and dry it with a cleaning cloth or disposable wipe, or spray directly on the cleaning cloth and use it to wipe the surface. Pre-washing is not needed. If you need to ensure there will not be any residue, wipe the cleaned area with a clean, damp cloth. Usually surface rinsing is not required.

Note

Do not use on hot surfaces.

Composition

Ingredient		Effect
Ethanol	60 p-%	Biocide
Tertiary butanol	< 2 %	Denaturation agent
Quaternary ammonium chloride	< 0,5 %	Biocide, cleaning efficacy
Alkylamine	< 0,5 %	Biocide

Product pH

10.0 weakly alkaline

Storage

In room temperature. Shelf life 3 years.

Appearance and scent

Clear liquid, ethanol

Country of manufacture

FINLAND

User and environmental safety

Use biocides safely. Always read the label and product information before use.
Packages are produced of environmentally friendly, fully recyclable PE-HD plastic and can be incinerated. The product is biodegradable.
